

PRM Consulting Group, Inc. is pleased to launch a retained search for the next Vice President, Finance and Operations for our client, APA - The Engineered Wood Association. Based in Tacoma, Washington, this is a nationwide search to identify top talent for a remote or hybrid key senior management team position reporting to the President. Since its founding in 1933, APA - The Engineered Wood Association is the nonprofit trade association of the U.S. and Canadian engineered wood products industry comprised of and representing manufacturers of structural plywood, oriented strand board, cross-laminated timber, glulam, and laminated veneer lumber. APA combines the research efforts of scientists and engineers with the knowledge gained from decades of work in the field to support market access and development, and cooperation with member manufacturers. Through these efforts, APA promotes structural wood products of exceptional strength, versatility, and durability.

Under the leadership of chief staff executive, Mark Tibbetts, the Vice President, Finance and Operations role is an enterprise level leadership position with responsibilities for finance, accounting, human resources, information technology and administration. If you are a strategic, entrepreneurial visionary with a degree in business, finance, accounting, or a related field, at least 10 years of leadership and management experience in finance/operations/administration, this is your opportunity. Bring your financial and operational expertise, mission-driven organizational experience and people leadership skills and join APA's key senior management team.
