

# STRUCTURAL PANEL & ENGINEERED WOOD YEARBOOK

E185

## Table of Contents

EXECUTIVE SUMMARY .....	1
THE ECONOMY .....	3
MARKET SEGMENTS .....	11
Table 1    Composition of Households, By Type, Age of Householder, 25–34 Year-olds .....	13
Table 2    Composition of Households, By Type, Age of Householder, 35–44 Year-olds .....	13
Table 3    Default Rates, Borrowers Entering Repayment in 2011–12.....	15
Table 4    Average Selling Price and Affordability Measures, 2018 Q3 .....	17
Table 5    U.S. Softwood Plywood Imports, By Source .....	24
STRUCTURAL PANELS .....	26
Table 6    U.S./Canada Structural Panel Demand and Production.....	27
Table 7    U.S. Structural Panel Demand and Production .....	28
Table 8    Canada Structural Panel Demand and Production .....	29
Table 9    U.S. Exports.....	30
Table 10   Canada Exports.....	30
Table 11   U.S. Imports.....	31
Table 12   Canada Imports.....	31
Table 13   North America Capacity and Production .....	32
Table 14   North America Plywood Capacity and Production.....	32
Table 15   North America OSB Capacity and Production .....	33
Table 16   North America Plywood Capacity Changes.....	34
Table 17   North America OSB Capacity Changes .....	35
Table 18   U.S. Floor Sheathing.....	36
Table 19   U.S. Wall Sheathing.....	36
Table 20   U.S. Roof Sheathing.....	37
Table 21   U.S. Remodeling Market .....	37
Table 22   U.S. Industrial Market.....	38
Table 23   U.S. Nonresidential Construction Market .....	38
Table 24   Canada Floor Sheathing .....	39
Table 25   Canada Wall Sheathing.....	39
Table 26   Canada Roof Sheathing.....	40
Table 27   Canada Remodeling Market .....	40
Table 28   Canada Industrial Market.....	40
Table 29   Canada Nonresidential Construction Markets .....	40
Table 30   Structural Panel Manufacturers in North America .....	41
Table 31   U.S. and Canada Structural Panel Starts and Closures.....	44
Table 32   2018 Structural Panel Producers by Country by Products – Ranked By Size.....	45
Table 33   2018 North America Structural Panel Producers – Ranked By Size .....	46
Table 34   1933–2018 North America Structural Panel Production .....	47
Table 35   North America Structural Panel Production By Quarter By Region .....	49
Table 36   North America OSB Production By Quarter By Region.....	50
Table 37   North America Plywood Production By Quarter By Region.....	51
Table 38   North America Structural Panel Producing Units .....	52
Table 39   Sanded Share of U.S. Plywood.....	53
Table 40   U.S. Structural Panel Production By State .....	54
ENGINEERED WOOD DEMAND & PRODUCTION .....	57
Table 41   Glulam Demand and Production .....	57
Table 42   I-joist Demand and Production.....	59
Table 43   LVL Demand and Production .....	60
Table 44   History of Engineered Wood Production in North America.....	61
Table 45   Engineered Wood Manufacturers in North America .....	62
Engineered Wood Glossary .....	64
